

Part 2: May 2026 Caller
Operation Community Cleanup sponsored by the Issac Sterett Adventure Foundation was postponed due to weather, however, the next day was a beautiful day to pickup trash! FCC had a great showing at the event! Linda Green, Francy Miller, Arden Mitchell, Nancy Barnard, Gary Bielefeld, and Chris & Stacy Castlen competed as the FCC Team to pick up trash. The Steretts, the Fords, and the Yagers were all sporting the safety yellow shirts, organizing the event, and picking up trash.

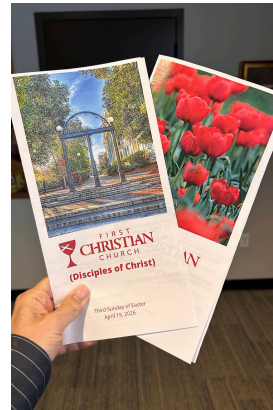

The Church celebrated **Chris Michael's 60th birthday** on Sunday April 19th. We surprised him by dressing in his favorite colors of **red** and **black**. Some members even 'took one for the team' and wore **Georgia** shirts! After church we had a couple of his favorite foods: fried chicken and collard greens. And to round out the meal we had birthday cake with some **Georgia** decorations. At the end of it all Chris Michael felt the love we all have for him, so a **HAPPY birthday** indeed!

Chris Michael was surprised to see a different bulletin than the one he had been shown the week before, and he had a walker at his seat for church.

Sunday, April 26th was **Youth Sunday**. It was wonderful to see SO MANY youth of our church so engaged in worship. They provided a wonderful message to leave your troubles at the cross.
